SSC Alumni Board Meets

The first meeting of the newly elected board of directors of the SSC Alumni Association met on May 14 in New Orleans. Members present were Jerry Schoen, Gil Schmidt, Ames Kergosien, Bill Argus, and Brother Aquin Gauthier. In business matters conducted, the board approved of amending the present by-laws of the alumni association to include the immediate past president as a member of the board of directors. The board also approved of setting up a special alumni fund (using the funds from the now defunct New Orleans Chapter) to present an award annually to a deserving senior of St. Stanislaus. In other business it was agreed to offer (at no expense to the alumni association) a tour to Mexico City for interested alumni. This tour will be handled through Diners Fugazy Travel Agency.

SSC Alumni on the Move!

Would you like to spend a few days in Mexico City with other SSC alumni? If so, a tour is being set up by Diners Fugazy Travel Agency in New Orleans for a trip to Mexico City during October, 1973. More information and a brochure will be sent out to all alumni during July. Plan now — pay later!

Lafayette Alumni and Friends Gather

Approximately 40 alumni, friends and parents of students at St. Stanislaus gathered on April 30 for an informal crayfish boil at the home of Margaret McMillan in Lafayette. Representing SSC at the gathering were Brother Pierre St. Pierre and Brother Aquin Gauthier. Some of the alumni present were Joseph Blaize '29, Billy Gearheard '57, E. B. Have you ever thought of leaving St. Stanislaus in your will? Because SSC is a non-profit and tax exempt organization, a gift left to the school is exempt from inheritance tax—meaning that neither SSC or the estate will have to pay a tax on this gift. If you could give the same money to SSC that would have to go to Uncle Sam in taxes, wouldn't you rather see it benefit the youth of St. Stanislaus. More information can be supplied on request. Remember — only you can make your will!

SENIORS INDUCTED INTO ALUMNI ASSOCIATION

The seventy-six seniors of the class of 1973 were formally inducted into the St. Stanislaus Alumni Association on Friday, May 11 at a supper held in the SSC Dining Hall. Brother Peter Memorial Near Completion

However, the fourteen hundred bleacher seats costing approximately \$18,000 still have to be purchased; and it is

hoped that the donations of alumni, parents and friends will be able to cover this cost. If you are able to help in this regard, please send your donation to:

St. Stanislaus Progression Program

Bay St. Louis, MS 39520

Construction moves well on the new Brother Peter Memorial Gymnasium and Physical Education Center as shown in this picture during the month of March. Completion date is set for August, 1977.

SSC Hall of Fame Inducts Four Men

Approximately 250 people attended the Seventh Annual St. Stanislaus Hall of Fame Induction Banquet on March 11 held on the campus of St. Stanislaus. Inductees at this year's ceremony were E. J. Arceneaux, Sr., Berch Wilbert, Sr. '23, and Jerry Schoen '47. Brother Edmund S.C. was inducted posthumously.

Father James Carter '44 offered a Mass in honor of the Hall of Fame inductees. Following a social hour, the induction banquet was held in the St. Stanislaus Dining Hall. This year's induction brings to thirty-three the number of inductees enshrined in the Hall of Fame at St. Stanislaus.

Brother Peter Memorial Dedicated

Over 300 people attended the dedication ceremonies of the Brother Peter Memorial Gymnasium and Physical Education Center on Sunday, April 2. Eight members of the Basso family were present to represent Brother Peter. Brother Peter's sister (Marie FitzSimons), her husband (Phil FitzSimons), and their daughter (Cathleen Moutes) came from Van Nuys, California for the ceremony; while Brother Peter's other living sister (Sister Emerita Basso) was present from Indianapolis, Indiana. Other relatives from Indianapolis included Rose Basso, Sister Joan Michael Basso, Michael Basso, and Mary Tierney.

Lucien Gex, Jr. '50 served as master of ceremonies. Bishop Joseph Howze of Biloxi gave the opening prayer, while Jay Rousseau '78 (president of the St. Stanislaus student body) and Larry Bennett (mayor of Bay St. Louis) gave the welcome. Jim Smith '45 gave several reflections on the life of Brother Peter. Brother Hubert Bonnette presented honorary alumni awards to former governor Bill Waller of Mississippi and lieutenant-governor Jimmy Fitzmorris of Louisiana. Speaking on behalf of the Brothers of the Sacred Heart was Brother Lee Barker, provincial superior.

Brother Peter Basso, who died in 1948, was inducted into the St. Stanislaus Hall of Fame in 1972.

Alumni Board Activities

The SSC Alumni Board of Directors has taken upon itself the chief project of assisting the Brothers of the Sacred Heart in their work of recruiting young men to the religious life. The past two meetings of the alumni board has been devoted exclusively to this topic. Special guests at these meetings were Brother Henry Gaither, vocation director for the New Orleans province of the Brothers of the Sacred Heart, and Brother Lee Barker, provincial superior.

The overall goal of this project is to get the alumni actively involved in the important work of fostering religious vocations — particularly for the Brothers of the Sacred Heart. In order to achieve this goal, a three-part program has been outlined and is presently being organized. In the near future alumni will receive a prayer form which can be used by the whole family in praying together daily for religious vocations. The second part of this program would be the publication of a booklet to explain the life of a Brother of the Sacred Heart. This booklet would also answer many questions concerning religious life that may often be confusing to a layman. Finally the third part of this project would be the organizing of an audio-visual presentation which could be used by alumni in speaking to church related groups regarding the subject of religious vocations.

The need for fostering religious vocations has been viewed by the alumni board as a very important subject, and it is hoped that the general alumni association will support this project wholeheartedly.

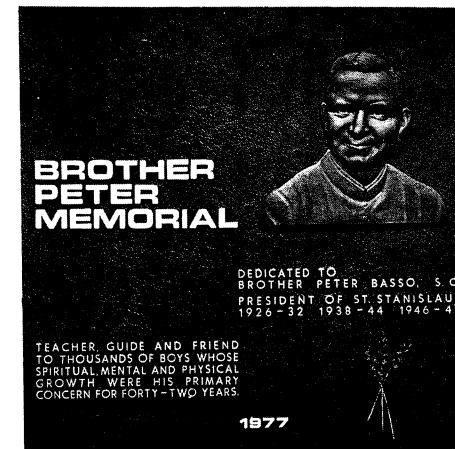

Alumni Present Career Talks

In an effort to have the students at SSC benefit from the experience of our alumni, a program was started this year by which alumni would speak to the seniors on various career opportunities. Two "Alumni Career Days" have been held this past year. On November 4 the alumni speakers were Buzzy Killeen '44 (Advertising), Tommy Kidd '57 (Sales), Jerry Schoen '47 (Marketing), Rodney Sandoz '57 (Computer Science) and Walter Gex '57 (Law).

On March 3 the speakers were Jimmy Chiniche '60 (Engineering), J. T. LaNasa '47 (Real Estate), Ben Hille '51 (Mechanics) Ronnie Artigues '60 (Construction), and David Treutel '53 (Banking and Finance). Coordinating these alumni talks for the seniors was James Thriffiley, guidance counselor at St. Stanislaus.

SSC STUDENTS PLACE FIRST IN STATE

St. Stanislaus was one of seventy-eight schools from throughout Mississippi to participate in the State Science and Mathematics Tournament. The competition was based on written examinations and oral team competition in mathematics, biology, chemistry and physics.

In the oral competition (similar to a prep-quiz bowl) SSC seniors Bill Kergosien, Danny Hayden, Phillip Mueller, and Stephen Johns placed first in the state. In the written competition awards were presented to the students who scored in the top ten per cent in the state. SSC award winners were as follows: Stephen Johns (math and biology), Danny Hayden (chemistry), Randy Santa Cruz (biology), Bill Kergosien (biology), Phillip Mueller (chemistry and math), David Chaffe (chemistry), and Phillip Schmidt (biology). In this written competition Phillip Mueller placed first in the state in chemistry and second in the state in math.

VOCATIONAL DEVELOPMENT FUND

One of the many activities of the alumni association has been the formation of the Vocational Development Fund of the Brothers of the Sacred Heart, Inc. The purpose of this fund will be to financially assist in the education of young men as Brothers of the Sacred Heart. The concept of this fund was first conceived during the administration of Jerry Schoen as president of the SSC alumni association, and it was further developed during the administration of David Assaf.

At present a committee has been formed to finalize the various particulars of the fund. Jerry Schoen serves as president of this corporation, Bill Foster is the Vice-president, and Brother Aquin Gauthier is secretary-treasurer. Other members are Brother Lee Barker and Brother Paul Montero, while Frank Lagarde serves as legal consultant.

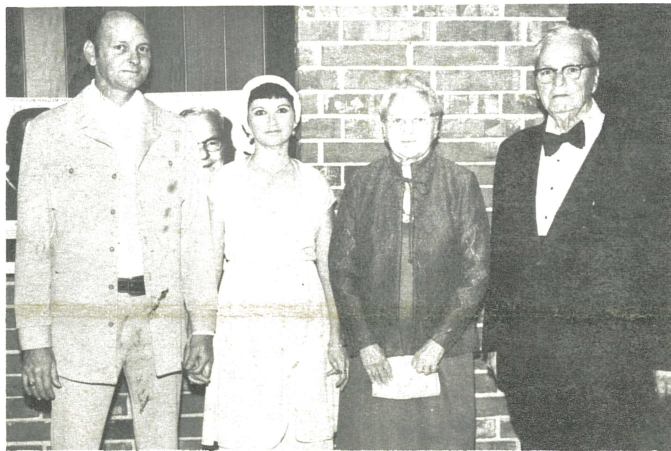

Gifts to this fund will be tax deductible.

Weekend at St. Stanislaus

The first retreat for men by the Brothers of the Sacred Heart at St. Stanislaus was held last August 13 and 14 on the school campus. Twenty alumni attended this retreat; and the experience proved so rewarding that a similar weekend is being planned for this summer. However, the schedule for this summer is being planned so that there will be some spiritual talks and exercises, but also there will be time for relaxation and "general reminiscing" of the old days at SSC.

The men who attended last year's retreat will form the committee for extending the invitations for this year's "Weekend at SSC." If you are interested in attending, please write for further information to Brother Aquin Gauthier (c/o SSC Alumni Office, Bay St. Louis, Mississippi 39520). The total number of alumni to attend will be limited.

1854-1979

As 1979 draws nearer preparations are underway for the celebration of the 125th anniversary of St. Stanislaus College. A pictorial history of St. Stanislaus from 1854-1979 is at the printers, and decals noting the 125th anniversary of SSC are nearly completed. Celebrations in the form of banquets for alumni and friends of SSC are presently being planned for the spring of 1979 in New Orleans, Lafayette, and on the Mississippi Gulf Coast.

Much help will be needed in making this anniversary a success. Any alumnus who would be willing to help with this project is asked to contact Brother Aquin Gauthier at the alumni office at St. Stanislaus.

Brother Hubert Bonnette SSC president, congratulates Bill Waller [left] and Jimmy Fitzmorris [right] on being named honorary alumni of St. Stanislaus. Waller and Fitzmorris were honored for their help and interest in SSC particularly during the drive for the Brother Peter Memorial.

Stephen Johns '78
Salutatorian

We, the 1978 graduating class, welcome you to the 124th commencement exercises of St. Stanislaus.

We wish to welcome, first of all, our parents, who had the foresight to send us to the finest educational institution in this area. We rarely take the time to consider the deep love you, as our parents, have shared with us, as your sons. We rarely consider the sacrifices that many of you have gone through to give us the Christian education. In fact, we usually take for granted our parents, without whom we would not be here. We take this time to sincerely say "Thank You." We can never repay you for our lives; we can only hope that we will be a source of pride for you in the future.

St. Stanislaus has not become the best school in the area because of the students alone, but because of the guidance and assistance of the Brothers and faculty. Through the dedication and patience of the Brothers and faculty, we have received the moral training which will be the guidelines for our lives in the future.

Finally, we welcome the Golden Jubilarians. A great compliment to any school is knowing that previous students have gone on to lead productive lives. An even greater compliment is the return of such accomplished persons. After 50 years, these men have returned to compliment their high school. After 50 years, these men still recognize their high school education as being an important factor in the formation of their character. This is an important part of the St. Stanislaus tradition.

Because St. Stanislaus is a relatively small school and because the teachers take the time to help, we have received the individual attention necessary for the development of our character. We have experienced a rare school unity demonstrated in the St. Stanislaus tradition through the golden jubilarians.

Perhaps in 25 years, some of us will be returning as proud parents of our Stanislaus-graduating sons. Perhaps in 50 years, some of us will be returning as even prouder golden jubilarians.

In view of the above mentioned ideas, it is our privilege to welcome all of you who have taken the time and effort to come share this great occasion in our lives.

GRADUATION ADDRESSES

May 13, 1978

Bill Kergosien '78
Valedictorian

On this, the 13th day of May, in the year of Our Lord 1978, the 124th St. Stanislaus graduating class will begin a new chapter in the volume of life. In our high school days at St. Stanislaus, we have been trained in the ideals of Christian manhood. Throughout our 18 or so years, our parents have given us those intangible gifts conducive to a happy life. Others have not been so fortunate. Therefore, as knowledgeable Christians, we are dutifully bound toward bettering humanity and using these gifts.

Knowing that we have received the finest educational opportunities available, we are well prepared to challenge the pressing issues of our dynamic world. But a newly-emerging senior might ask, "What is the most urgent problem that confronts our nation?" Inflation, pollution, social injustices, the energy crisis -- these certainly are detrimental to American society. But I would like to direct my address today to a situation which is rarely in the news, seldom considered as an issue, and even less often talked about. It involves the very foundation of our great civilization and incorporates the whole scope of our social behavior. I am speaking of family structure and the unity it provides. Statisticians tell us there is a definite trend toward de-emphasizing the role of the family unit in today's **New Morality**. Can the American dream survive with such a reversal in the ideals that founded our country?

In the 1820's many families headed west to search for a new life. Through unity of purpose and "rugged individualism" they survived to form the heart and soul of this vast land. These families were indomitable -- and so was America.

In the 1940's, when the United States was engaged in war with the Axis powers, an entire generation of young men left their families to fight overseas. In the midst of this crisis, mothers were at home praying and making special devotions for the safe return of their loved ones. It was this deep-rooted family love that instilled the courage in our men to win this most terrible war.

Today, we are shocked by such things as terrorism, abortion, political scandals, and the "new" sexual freedom. We strive to remedy these problems in many ways, but they only seem to grow more numerous. I believe that part of the solution lies in re-kindling the value of family life in America. As newly emerging citizens and potential parents, this is of cardinal importance to the class of '78.

With the power of youth, knowledge and leadership, our decisions will shape the lives of men and provide a framework for the new age which is beginning. This momentous endeavor is ours and with the help of God's grace, we will not fail.

Bill Kergosien '78

Father Ignatius Fabacher '28 [at far right] is shown concelebrating the Graduation Mass for the 99 SSC seniors of 1978. At this ceremony Father Fabacher and his classmates of 1928 were honored on the occasion of the Golden Jubilee of their graduation from SSC.

St. Stanislaus To Begin 125th Session

St. Stanislaus will open its 125th session on August 21, 1978, with a capacity enrollment of 625 students. Brother Mark Thornton is beginning his first year as President of St. Stanislaus, and Brother Eldon Crifasi will serve as principal. Brother Aquin Gauthier begins his ninth year as director of alumni relations.

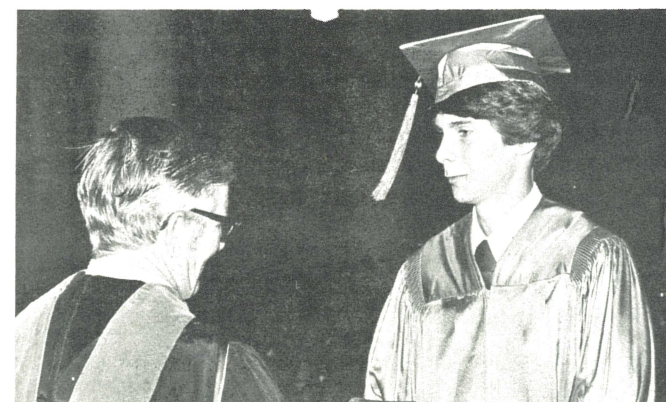

Other brothers on the faculty are as follows: Brothers Alban, Alfred Rodriguez, Albert Guarino, Albert Ledet, Andries, Anton, Aquinas, Aubert, Bennet, Canisius, Claude, Claver, Eduardo, Elbert, Ephrem, Firmin, Hilbert, Hugh, John Abate, Joseph Donovan, Leon, Louis Joseph, Loyola, Malcolm, Martin, Matthew, Michael Vidrine '62, Noel, Pascal, Paul Mulligan, Peter, Philip, Quintin, Raymond, Ray Kuhn, Robert LeBlanc, Roy Reinicke, Timothy, and William Chester.

PLAN AHEAD

The general SSC Alumni Reunion will take place on January 27, 1979, in New Orleans. The location will be the same as last year -- the Jefferson-Orleans (I-10 at Causeway). This reunion is for all SSC alumni, but the special honor classes this year will be the classes of '39, '49, '54, '59 and '69. Make plans now to attend!

125th Anniversary

The first phase of the 125th anniversary of St. Stanislaus will be the publication of a pictorial history of the school from 1854 - 1979. This publication is scheduled for mailing in September, 1978. Group celebrations are being planned for March, 1979, in New Orleans, Lafayette, and the Mississippi Gulf Coast.

Brother Hubert congratulates Tracy O'Regan '78 on winning the St. Stanislaus Alumni Award. O'Regan earned the alumni award, which is given to a graduating senior who has shown in a truly Christian manner a concern for his fellow man through school projects involving the corporal and spiritual works of mercy.

Brother Mark Thornton, S.C.

Brother Mark Named as SSC President

Brother Mark Thornton has been named as the president of St. Stanislaus for the 1978-79 school session. In assuming his new position, Brother Mark becomes the twenty-first president in the 125 year history of St. Stanislaus. He is succeeding Brother Hubert Bonnette, who has accepted a teaching position at Nicholl's State University in Thibodaux, Louisiana.

From 1970-76 Brother Mark was provincial superior of the New Orleans Province of the Brothers of the Sacred Heart.

CRUSADE

Details of the present project of the SSC Alumni Association will be coming out in the near future. The project -- entitled CRUSADE -- will involve the support of all SSC alumni. Watch for the CRUSADE!

Alumni Reunion Set for Jefferson-Orleans

The 1979 general Alumni Reunion will be held on Saturday, January 27, at the Jefferson-Orleans (located on 2536 Edenborn Avenue at the intersection of I-10 and Causeway Blvd. in Metairie). This is our second year at the Jefferson-Orleans, and this site has proved to be extremely popular. The reunion will be from 7:30-11:30 P.M., and a pre-registration form will be sent out to all alumni at the beginning of January.

The honor classes this year will be the classes of '39, '49, '59 and '69, with the special honor class being that of 1954 (Silver Jubilee Class). However, this is a GENERAL REUNION and not just limited to members of the honor classes. All alumni of SSC and their wives or dates are encouraged to attend, and also in attendance will be Brothers who have taught at St. Stanislaus in the past. Those who attended last year's reunion at the Jefferson-Orleans know what a great success it was. This year we will be celebrating the 125th anniversary of St. Stanislaus. Make plans now to attend!

Alumni Career Day

As a part of the Homecoming activities this year, a special alumni career day was held for the SSC seniors. Nine Stanislaus alumni spoke to the class of '79 on possible career opportunities while emphasizing their own particular career. David Treutel '53 spoke on banking and financing; Rodney Sandoz '57 explained computer jobs and activities; Ben Hille '51 explored the field of auto mechanics; Walter Gex '57 spoke from his experience as a trial attorney; Ronnie Artigues '60 gave a brief explanation of the home building industry and subdivision development; Dr. Frank Schmidt '50 spoke on medicine both as a general practice and then radiology as a specialty; David Assaf '40 gave his views of initiating and developing a small business with particular emphasis on his own import-export business; J.T. LaNasa '47 explained the real estate business; and Jerry Schoen '47 spoke on marketing, with special emphasis on the business of solar energy in the modern world. After each alumnus spoke briefly on his own field, the members of the senior class were given a chance to ask questions.

The above alumni addressed the seniors at St. Stanislaus on Homecoming Day regarding the various career opportunities available to young men. At the far left is Ronnie Artigues '60 (contractor); in the center is Dr. Frank Schmidt '50 (medicine); and at the right is Jerry Schoen '47 (marketing).

St. Stanislaus to Celebrate 125th Anniversary

During the present school year St. Stanislaus is celebrating the 125th anniversary of its founding in 1854. The fact of this anniversary is the theme for all alumni gatherings during the year. A pictorial history of the school has been published and can be purchased through the alumni office at St. Stanislaus. To help alumni and friends of SSC to attend the anniversary celebration, there will be events in three different locations. The Gulf Coast area will commemorate the anniversary on March 14 with a banquet and program at the Broadwater Beach Hotel. The New Orleans area will celebrate the anniversary on March 26 with a similar banquet and program at the Jefferson-Orleans. In April the Lafayette area alumni, parents and friends will celebrate this anniversary with a special ceremony. All alumni are encouraged to take part in the anniversary events scheduled for their area. Further information regarding these events may be obtained by contacting Brother Aquin Gauthier at the alumni office of St. Stanislaus.

This year's Homecoming '78 (October 12, 13, 14) proved to be a great success. Activities got underway on Thursday, October 12 with a parade through the streets of Bay St. Louis in the afternoon and a pep rally that evening on the SSC campus. On Friday, October 13, the seniors benefited during the day from the Alumni Career Talks. In the late afternoon there was a cocktail party for alumni and parents. This gathering was attended by approximately 300 guests, who afterward went to the SSC - St. Martin football game. 125th Celebration

The year 1979 marks the 125th anniversary of St. Stanislaus. In order to give as many alumni, parents and friends as possible a chance to participate in this important event, it has been decided to hold three similar celebrations in the principal areas where alumni are located.

On March 14 the Gulf Coast area will have its celebration at the Broadwater Beach Hotel in Biloxi. Eaton Lang '44 will serve as master of ceremonies for the evening. Honorary alumni awards will be presented to John Auderer, Sherwood Bailey, Bubba Oustalet and Leo Seal in appreciation for their interest and help to St. Stanislaus during the past years.

The New Orleans area celebration will take place on March 26 at the Jefferson-Orleans in Metairie. Earle Christenberry '45 will serve as master of ceremonies; and honorary alumni awards will be presented to Carl Eberts and Jerry Romig.

On April 27 there will be a gathering in Lafayette for the parents and alumni from the Southwest Louisiana area. Jules Rousseau and M. P. Dumesnil will be in charge of this celebration.

All alumni are encouraged to attend the celebration in their area!

Alumni Reunion Is Great Success

Approximately 510 people attended the Annual SSC General Alumni Reunion at the Jefferson-Orleans in New Orleans. This attendance record surpassed any previous reunion as the number of alumni continues to increase each year. The class of 1954, which was being honored for its 25th anniversary of graduation, had the most members in attendance with twenty. Other classes honored at the reunion were the classes of '39, '49, '59 and '69. For the second year in a row the two oldest alumni present were Joe Buford '15 and Milton "Funchie" Reisch '19. Last year's graduating seniors of 1978 had twelve members in attendance.

Next year's reunion has been scheduled for February 2, 1980 at the Jefferson-Orleans. Honor classes will be '40, '50, '55, '60 and '70.

Peter Bernheim '79
Valedictorian

Valedictorian Address

Parents, Brothers of the Sacred Heart, Faculty, Golden Jubilarians, Honored Guests, and Fellow Members of our One Hundred and Twenty-Fifth Graduating Class: There exists a fundamental institution in human society which is called the family. Among those groups, that I term rather generally as families, are religious communities, friendly clans, and the traditional bloodlines or parent-children households.

The family, taken in any of these connotations, is inherent in the development of Christian morality in every human being. As individuals we must learn to live with our respective families.

Members of religious communities recognize a family situation that is somewhat different than traditional household relationships. In religious communities, the family consists of children of God with a common purpose, which is caring for the needs of their brothers and sisters.

In the household family situation, it is so very important that Christian morality be taught and upheld. Recent figures indicate that three of every ten marriages end in divorce or separation.

How does abortion affect the family? Can living together before marriage benefit the family and illustrate the principles of Jesus Christ? With these concerns presenting themselves as often as in today's society, can the family remain unaffected?

I believe that we need to listen to God and communicate with ourselves. I also believe in our basic goodness, for God created us out of love. We must recognize His precious Spirit in each of our neighbors.

Future members of God's family must develop in an atmosphere of Christian morality.

I sincerely thank those who have contributed to our development. This gift of devotion has enabled us to construct a firm Christian Foundation.

In closing I quote: "We must live together as brothers, or perish together as fools." My final remarks to my fellow graduates are contained in this blessing:

"May the road rise to meet you, may the wind be always at your back,

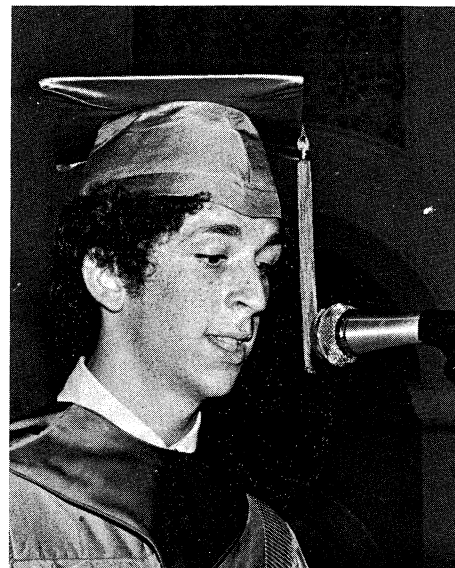

"May the sun shine warm upon your face, the rains fall soft upon your fields.

"And until we meet again, may God hold you in the palm of His hand."

Parents, Friends, Fellow Graduates, Members of the Faculty, Brothers of the Sacred Heart, and Golden Jubilarians: It is my honor and pleasure to welcome you to the 125th Commencement Exercise of St. Stanislaus.

Today we have gathered here, 98 fortunate seniors. Young men, whose parents had the foresight to place them under the guidance and instruction of the Brothers of the Sacred Heart. Here at St. Stanislaus, we received the invaluable gift of education which we will cherish in the many years to come. St. Stanislaus not only prepared us for the challenges, but also enlightened us spiritually as well as culturally.

Fifty years from now, when we join the distinguished group of Golden Jubilarians, who honor us today by their presence, we will return either in person or spirit to join with our classmates once again to reflect upon the many sorrows and joys of our younger years.

Finally, I would like to thank all those who inspired us through the years with their love and devotion to Christianity and the betterment of education.

God Bless You.

Alumni Directory

In connection with the 125th anniversary of St. Stanislaus, our present alumni directory has been updated this past summer so as to include all the years from 1854 to 1979. The printing of this directory is scheduled for late September so that the directories can be mailed out during October to our 2,300 alumni. The present alumni directory was printed in 1972.

Camp Stanislaus

Every summer St. Stanislaus operates on its campus a five-week academic and fun camp known as CAMP STANISLAUS. The camp program is under the direction of Brother Noel, who is assisted not only by brothers from St. Stanislaus but also by brothers from the other schools in the New Orleans Province. In addition to these brothers and adult lay counselors, there are also college students who serve as counselors; and there are also some SSC students who assist in the running of the camp.

The camp program includes a daily enrichment program of Math (thirty minutes), English (thirty minutes) and Reading (one hour). The campers then enjoy the outdoor sports of sailing, swimming, skiing, etc., as well as a program in water safety, rifles, and arts and crafts.

St. Stanislaus accepts 120 boys between the ages of 9-14 for this camp session. If any alumnus is interested in having his son attend Camp Stanislaus, it is recommended to place his application in January or February. For the past few years the capacity for camp has been reached by the end of April.

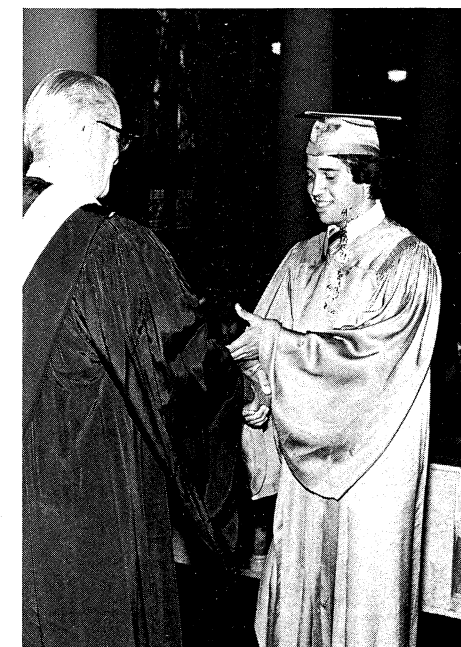

ing, swimming, skiing, etc., as well as a program in water safety, rifles, and arts and crafts.

Hall of Fame

Alumni are reminded that they are welcome to submit nominees for the SSC Hall of Fame at any time. The names of these nominees and a biographical sketch should be submitted to the Alumni Office at St. Stanislaus where they will be kept on file for review by the Hall of Fame selection committee.

At present there are thirty-three men who have been inducted into the Hall of Fame. The pictures of these men and a short resume of their accomplishments are displayed in the hallway at St. Stanislaus.

In an effort to keep the Hall of Fame on a very prestigious level, it has been decided that induction will not take place annually but rather every two or three years. Even though there will be no induction ceremony this year, alumni are invited to submit nominees for the next induction.

Brother Mark, SSC president, congratulates Doug Hernandez '79 on winning the St. Stanislaus Alumni Award. Hernandez earned the alumni award, which is given to a graduating senior who has shown in a truly Christian manner a concern for his fellow man through school projects involving the corporal and spiritual works of mercy.

BROTHER ALBAN

Brother Alban died in January, 1979, after twenty-five years of service at St. Stanislaus. A drive will begin in October to raise funds for the renovation and additional construction for the present dining hall at SSC. When this building is finished it will be known as the Brother Alban Memorial Dining Hall.

Former Band Students

SSC band director Davis Williams is looking for pictures of the SSC band before 1967. He would like to frame these and hang them in the Brother Romuald Memorial Band Hall at school. If any alumni would like to contribute band pictures to the school, please send them to the alumni office at St. Stanislaus. If you would like the picture returned to you, please make a note of this and we will have a copy made. We will then return the original picture to you.
